

Introducing Self-Pay Invitations

When booking tee times online, you will now be able to invite your friends to join your group and pay their own way. This new feature allows you to reserve a tee time for up to four players and choose to pay for them all in advance or to send them each an invitation to pay for themselves.

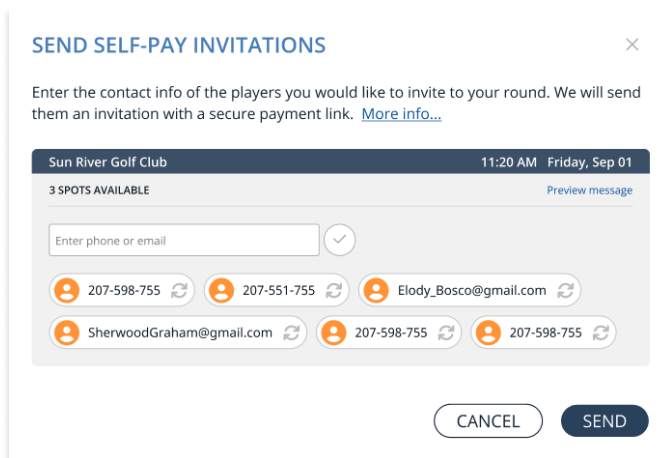

Step 1: Configure the tee time

Choose which players to pay for in advance and which will receive self-pay invitations.

Step 2: Invite players

Enter the phone number or email address of each player you wish to invite.

BONUS: Not sure who might be able to join? Send as many invitations as you like! The first players to accept and pay will claim the available spots.

Step 3: Invitations sent

Invited players will receive a text or email with a secure payment link. After creating a MemberSports account or logging into their existing account, they can pay for their spot on your tee time.

Step 4: Manage your booking

Manage your booking and see the status of your invitations on the My Tee Times page.

A few things to note...

- Invited players must accept and pay no later than 72 hours prior to the tee time. Any unclaimed spots at that point will be removed from your booking without penalty and opened up to the public.
- You will be notified when invited players accept or decline your invitation, and you will receive one final notice prior to the 72 hour deadline, at which point you will have the option to purchase unclaimed spots before they are removed from your booking.
